REMARKS

Claims 1-6 and 8-20 have been rejected by the Examiner and are herein cancelled without traverse. Examiner has stated that Claim 7 "is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims."

Amended claim 7 represents previously submitted claim 7 including all limitations of independent claims 1 from which said claim depended.

The drawing of figure 4 has been corrected and appended to this response. This drawing will replace the objected original figure 4.

In view of the above, it is that the application is now in condition for allowance.

Respectfully submitted,
